

Barnes & Noble College D2L Integration

Thank you for downloading our faculty guide for adding the bookstore link to your course site. The instructions are below. For your convenience, we have also created video instructions. [Click here to view.](#)

Adding the Bookstore Links to a Module in Your Course

This link takes your students to the campus bookstore, where they will sign in with their bookstore credentials or create a new account. Once there, they will see the materials selected for your course in all available formats (e.g., new, used, rental, or digital) along with all available pricing. They will be able to purchase their materials using any form of tender including financial aid or campus debit.

- Step 1: Access a course from your Courses menu.
- Step 2: Select **Content** from the navigation menu bar.
- Step 3: If adding the link to an existing module, select it from your list.
 - a. If you wish for the links to appear in in a new module, type the module name in the “Add a module...” text box. We suggest naming the module “Course Materials” or “Campus Bookstore.”
 - Hit **Enter** on your keyboard to create the new module.
- Step 4: In your module, click “Add Existing Activities.” Then, select **External Learning Tools (or Third-Party Integrations)**.
- Step 5: From your list of external learning tools, select **Purchase Course Materials**.
 - The link will appear on the list.

The link will now be available from the module, which will appear on your course home page.

Adding the Bookstore Link to Your Course Overview

- Step 1: In your course, select **Content** from the navigation menu bar.
- Step 2: Click **Overview** from the left-hand navigation.
- Step 3: Click on “Add a welcome message, overview, or description...” If you have already entered text in your overview, click on it to edit it.
- Step 4: In the text box, enter your course overview.
- Step 5: Add a reference to the bookstore in your overview, and highlight it.
- Step 6: Click the hyperlink icon () in your text box to insert a quicklink.
- Step 7: From the Insert Quicklink menu, find and select **External Learning Tools (or Third-Party Integrations)**.
- Step 8: Under External Learning Tools, choose **Purchase Course Materials**.
 - a. Your selected text will now link to the bookstore’s external tool.
- Step 9: Click **Update** to post or update your overview.
