

Barnes & Noble College Moodle Integration

The "Purchase Course Materials" link takes your students to the official bookstore site, where they will sign in with their bookstore credentials or create a new account.

Once there, they will see the materials selected for your course in all available formats along with all available pricing. They will be able to purchase their materials using any form of tender accepted by the bookstore. For your convenience, we have also created video instructions. [Click here to view.](#)

Adding the Purchase Course Materials Link to a Module in Your Course

This link takes your students to the campus bookstore, where they will sign in with their bookstore credentials or create a new account. Once there, they will see the materials selected for your course in all available formats (e.g., new, used, rental, or digital) along with all available pricing. They will be able to purchase their materials using any form of tender including financial aid or campus debit.

- Step 1: Select the desired course from your Home page.
- Step 2: Click the "Turn editing on" button at the top right-hand corner of your course page.
- Step 3: In your preferred section, click **+ Add an activity or resource**.
- Step 4: Select *Purchase Course Materials* from the list of activities and resources.
 - a. If you do not see this item on the main list, select **External Tool** first, then look for the *Purchase Course Materials* option.
- Step 5: Click **Add**.
- Step 6: On the Adding a new External tool page, enter the activity name: *Purchase Course Materials*
- Step 7: Expand the Privacy tab, and make sure that "Accept grades from the tool" is unchecked.
- Step 8: Click **Save and return to course**.
- Step 9: The link will now appear in your course.

In addition, the “Research and Adopt Course Materials” link takes you to FacultyEnlight, where you can complete your textbook submission to the bookstore.

Once the link launches, you will be prompted to log in with your FacultyEnlight credentials, or create a new account. This is a one-time process, and afterward your account will be stored for seamless access from your course sites.

Using the Research and Adopt Link in Moodle

- Step 1: Click on **Research and Adopt Course Materials** from the navigation menu.
- Step 2: You will be directed to FacultyEnlight. Please ensure that pop-ups are allowed from Moodle, so that the launch is successful.
- Step 3: If you have created a FacultyEnlight account, or if one has been created for you, sign in with these credentials. If you do not have an account, click Create Account.
- Step 4: Fill out the following form to create your account. The fields with the asterisk are required. Select your primary campus, and click Add More to include additional locations if needed.
 - a. If your email exists, we may have previously worked with your institution to generate accounts on behalf of faculty. Search for “FacultyEnlight” in your .edu email account for a welcome email with login information.
- Step 5: After you sign in (or hit Submit if you are creating a new account), you will be taken to FacultyEnlight. Step 1 of the Adoption process is completed for you, as the term, department, course, and section of your Moodle course are pre-selected. Click Continue to proceed with the adoption.

For any questions about your adoption or FacultyEnlight, please reach out to your campus bookstore.
